Docket No. CP2011-51

**NOTICE OF UNITED STATES POSTAL SERVICE OF
REVISED FINANCIAL INPUTS FILE, FILED UNDER SEAL – ERRATA**
(February 8, 2017)

The United States Postal Service hereby gives notice of filing a revised financial inputs file for Priority Mail—Non-Published Rates (PMNPR) customer agreements, with serial numbers ending in 0259-0265. The corrected file is being filed under seal, and should replace the original file submitted under seal on January 27, 2017, in its entirety. The redacted file previously filed by the Postal Service on January 27, 2017, has not changed.

The Postal Service discovered a few typographical errors in certain price cells in the financial inputs file originally submitted. These errors likely occurred because the price cells in the inputs file were manually entered from the price cells in each contract. The Postal Service has corrected these errors, and has highlighted the corrected cells. The Postal Service herein incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 17, 2010 Request filing in this docket, for the protection of the materials that the Postal Service is today filing under seal.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
